E: beaconhill-p.school@det.nsw.edu.au W: beaconhill-p.schools.nsw.edu.au

Dear Parents/Guardians

As part of our commitment to involve you in your child's learning and to communicate with you more effectively, we will be utilising the free student-sharingapp, "Seesaw" in Kindergarten. We would like to start using Seesaw as part of and during the transition to school process in term 4, to help the children start connecting with the teachers and our school.

"Seesaw" allows students to capture and reflect on their great learning moments and then share them with you in real time. Students and teachers will be able to add photos, videos and voice recordings of their work to their personal learning journals, which can be viewed by approved parents and guardians only. Photos of individual students and their work can only be accessed by that student's parents: however collaborative tasks may be viewed by multiple parents.

This app has been designed to help bridge the gap between learning in the classroom and learning at home. It allows parents to have meaningful conversations with their children throughout the afternoon and continue the learning process.

If you would like to take advantage of this opportunity, please sign and return the permission note below and then we will send you a link or QR code to access your child's journal. We look forward to utilising this great tool with you.

If you have any questions, feel free to contact Ms Kylie Bull or email beaconhill-p.school@det.nsw.edu.au

"Seesaw" privacy policy: https://app.seesaw.me/about/privacy

Regards
Kylie Bull
Assistant Principal
Early Stage 1

"Seesaw" Permission Note

☐   I give permission for my child's images and work to be shared via the "Seesaw" app. I have read the privacy policy information and agree to the terms and conditions that it outlines. I understand that images of my child and their work will only be accessible to me unless my child has worked as part of a group.

☐   I do not give permission for my child's images and work to be shared via the "Seesaw" app.
