

# Beacon Hill P&C News

## Thank You and Welcome

We held our Annual General Meeting last Tuesday Night and we would like to take this opportunity to Thank a couple of people who have given much of their time and support to the P&C over the last twelve months.

Claire Johnston, thank you for your organisational skills in co-ordinating the Fundraising events throughout the year and ensuring we are all insured, updated and following the procedures. Thanks.

Thank you to Alex King who filled the position of Secretary half way through last year, we are lucky that she has put her hand up for Assistant Secretary this year which means we are in Need of a Secretary to fill this position. If you would be interested in this Voluntary role, please email Alex at [secretary@bhpspc.com](mailto:secretary@bhpspc.com)

We welcome back Jonathan Sharp as President, Vice Presidents are Sally Bate, Hannah Creelman and Treasurer Sarah Garland, with Assistant Treasurer Jennifer Stuart and Tracey Clugston, and Alex King (Acting) Secretary.

We as a P&C Committee would like to acknowledge the P&C past achievements so that we can prepare for the coming year;

Last year as a School Community we donated \$35,000 to the school, and this money was for the purchase of new School Tents to provide shade to our children and various events throughout the year, and to the upcoming upgrade to the Sound system to the MPC which we will all benefit.

We have also contributed over the years to the upcoming upgrade to playgrounds.

With addition money was also donated through the cake days and a total of \$1200 raised, this money went straight to the Library.

We were also successful to receive a grant of \$25,000 for the Outdoor classroom SPOT project, with the help from Alison Watson and Tracey Plant.

The school has given us a new wish list for 2019 and we would like to display this list throughout the year to all to our Community;

The 2019 WISH LIST.....

- Supporting the purchase of flexible furniture
- IT Maintenance, Support (HR) and replacement/purchase (continued to build our bank of laptops in the 3-6
- Supporting the Grounds
- Air Conditioning for spaces not covered by Cooler Classrooms (eg; Admin, Canteen).
- Supporting Green Team Sustainability initiatives – Green house program. Solar panels.
- MPC upgrades – Fans, Stage Curtains
- Shade over STEM balcony
- Electronic Sign
- Additional Flag pole.

What an incredible list we have received from our School.

With this list we are not able to achieve anything without our Children and all the Beacon Hill Families.

With this in mind, the P&C Committee at the end of last year created a list of fundraising events throughout 2019.

With this coming weekend with the State Elections what a perfect opportunity to serve the local community yet support our Beacon Hill Community with a wonderful State Election BBQ. Please see below for further information.

Our next P&C meeting is on Tuesday 9<sup>th</sup> April 2019 – Libaray at 7.30pm, we really would like more community input so please come along and share your ideas.

## State Election BBQ & Cake Stall– Saturday 23<sup>rd</sup> March
